Hilton Los Angeles/Universal City's Café Sierra Honored by TripAdvisor

LOS ANGELES –TripAdvisor, the world's largest online travel booking and rating site, has bestowed one of its top honors on the Hilton Los Angeles/Universal City's Café Sierra.

Café Sierra received the Certificate of Excellence, which honors hospitality businesses that deliver consistently great service. The designation is presented to about 10% of the businesses on TripAdvisor that consistently receive positive reviews over the past year. There is no application process for the Certificate of Excellence, and the achievement is earned over time.

“We are thrilled to receive this honor from TripAdvisor, as it is one of the most respected travel and hospitality websites in the world,” stated Mark Davis, President and CEO of Sun Hill Properties, Inc., the owner and operator of the Hilton Los Angeles/Universal City.

“We pride ourselves in ensuring that your dining experience with us is nothing but the best. This honor is especially meaningful as it is reflective of our commitment to customer satisfaction.”

Located inside the Hilton Los Angeles/Universal City and best known for their Seafood and Prime Rib Buffet and Champagne Brunch, Café Sierra was recently voted “The Best Buffet in LA” by the Los Angeles Daily News.
